

Welcome New and Returning Families

The Da Vinci Boosters welcome your family to the 2023-24 school year! The Boosters are the parent teacher organization for both Da Vinci Jr. High School and Da Vinci High School. We are an inclusive community dedicated to supporting our teachers and students.

**Please join us in our work to create opportunities for our teachers and students!
We need everyone's help! You can help your student by...**

Volunteering your time—assisting with teacher appreciation events, writing grants, beautify our school, chaperone student activities--*bring your skill and in the Da Vinci spirit we will find a way to apply your talents.* A [Sign Up Genius](#) for the whole year is in the works, you can preview [HERE](#) and it will be LIVE by registration day.

Attending monthly Booster meetings—learn more about what is happening at our school and help make decisions that impact the school. Mr. Newman and/or Ms. Bowen start Booster meetings with updates and insights. Our new High School Principal is working on scheduling our 1st meeting, you will receive email meeting invites via Constant Contact. If you are not receiving Boosters emails, please let us know at davinciboosters@gmail.com

Donating! Last year Boosters raised \$30,000 to fund projects at both schools, examples listed on the reverse. We need your help to provide the same, hopefully more.

EVERY GIFT MATTERS!

We are a community and everyone's participation matters, making your gift is more important than the amount. While our financial goal is to raise \$70 for every student our main goal is to increase the number of gifts we receive.

- If you can only afford \$5 we welcome your donation!
- If you can afford \$70 for each of your Da Vinci students, all the better!
- And if you are fortunate enough to be able to donate more, please consider extending your generosity to fund more of our students.

**Our goal is 500 gifts from our nearly 600 families. Every gift matters!
Please give what you are able.**

Learn more! at <https://davinciboosters.net/>.

- **Junior High families**, meet up **Wednesday, August 30**, at [Picnic in the Park](#) in Davis. We will make ourselves obvious and you will soon receive an email with details.
- **Senior High families**, mark your calendars now: Family Picnic **Tuesday, September 19** at the Tech Hub.
- We appreciate new ideas and perspectives so please reach out, email us at davinciboosters@gmail.com
